FRANKLIN county and the city of Frankfort should purchase the old Capitol Square. The new wing could be converted into a very fine and convenient courthouse. The remainder of the grounds would make one of the prettiest little parks in the State. With the expenditure of a few thousand dollars this could be accomplished. Then, with a new courthouse, a pretty little park, a \$100,000 dollar depot and a million dollar Capitol, Frankfort could be almost all that anyone could desire, hopefully remarks the Frankfort Journal. In the list of improvements depired, our brother failed to mention the removal of the many hills that surround; the capital, which have caused the little city to be known as the "hole in the ground" almost as well as it is by the name given it by its founders.

MASTIC MIXED PAIN

Can't | Be | Touched for painting houses. The reason's plain. Mastic

Is the purest, therefore the most durable and economleal. There is a whole string of "other fellows" claiming "just as good as Maslic" but they don't prove it, Maybe they can't. The analysis of Mastic is pullished. It's made of pure lead, zine and linseed oil-the most durable kind of paint-and its purity is therefore unquestioned.

As purity means durability, the spleadid wearing qualities of Mastic have given it the title of "The Kind That Lasts," and this title is backed up by our absolute guarantee. Mastic is made by

POLITICAL.

Judge Talty, defeated Republican eandidate for Mayor of St. Louis, is preparing to contest the election of Rolia Wells, Democrat.

Secretary Loeb denies there is any truth in some rather persistent rumors that the president was lil in camp. The owner of the ranch said, however, that he had heard the president had a touch of fever, but felt sure he was not ili. The party had ceased hunting, however, in order to give the dogs a rest.

Secretary Taft, under instructions received from the President, yesterday dispatched a cablegram to Minister Bowen directing him to return to Washington at once. He will be required to confront Assistant Secretary Loamis and prove the charges made against the latter, or explain his conduct in regard to them. Collector of Internal Revenue Joseph

A. Craft played smash with the Republican organization in Louisviile when he issued an order to employes of his office that they must resign from the Republican committees or quit the Government service. Mr. Craft didn't begin playing smash, however, until he was ordered to by Secretary Shaw.

Cleaned Out.

When a deep cellar becomes filled with heavy, poisonous alr, it is never safe to go into it until it has been cleaned out. When your body has been poisoned with the faul residues of undigested food, it is just as necessary to clean it out. To do this pleasantly and sufely take Dr. Cablwell's (laxa-Season Specialties STANFORD. - KENTUCKY. tive) Syrup Pepsln. It is a pure, scientific programmation which has no equal in the cure of constipation, headache, by G. L. Penny at 50c and \$1 Money geldings that sold for \$5,000. back if it lalls.

The statement has been made that in by Matt S Cohen, of Richmond, Ky. the past year the Southern and the Louisville and Nashville roads had 1 on in Kentucky.

6. I will be glad to show him to any mostly from the Northern States to secure homes in the State of Alabama alone. This is only a part of the work that has been done by the railroads, thousands have been induced to come to others of the Southern States. The railroads are doing more for the South in this respect than all other agencies eombined. - Knoxville Tribune.

CLAY KING 2964.

1904. It is not equal, however, to the the production for the last four months of 1904, a fact attributed to the decreased price of crude oil.

Thirteen miners were entombed and probably killed by an explosion Sunday morning in the Missouri, Kansas and Texas Coal Company's mine four miles west of Wilburton, Okla. A rescuing party is at work, but may not reach the imprisoned miners for several days.

Seven of the best coal mines in Sullivan county, Ind., have been purchased by a New York syndicate, believed to be backed by Vanderbiit interests.

Clay King, with any kind of stud opportunities, would today be in the firsh hight of successful sires of extreme speed. His stud career to practically just begun, and there is not a hoiseman in the little Grass State who does not regard him as a winderful site of early and extreme speed. Every men at the Lexington track has seen his get accomplish what has never been done by the produce of any other horse; they have seen his yearling step quarters in 15 1-4 seconds and then sell for startling prince; they have seen his older representatives show as much speed, gameness end genulne race horse qualifies as those of any site ever quartered in Kentucky.

Cley King will make the season of 1905 at the low price of \$12 50 to Insure a living coit. A lien relatined upon the load to secure the payment of the season. All cere will be taken to prevent accidents to stock intrusted to our care, but should any occur we will not be responsible fur the same.
